

Super Gaming Computer – Best 4 U!!!

http://content.hwigroup.net/image/s/products/xl/186949/2/asrock_z87_extreme6.jpg

The Motherboard: It holds the CPU! I like to game so I am using an Asrock z87 Extreme 6! It is compatible with the Haswell Core i7.

The CPU for this board will be an Intel Core i7-4771 Haswell 3.5GHz. It was just released this fall and is one of the fastest ever!

Network Card –
Not necessary – two
networking ports are built
in this motherboard!!

What's in a drive? The ultra-reliable Solid State means no moving parts and longer life and faster access! All of your information can be accessed instantaneously! This computer has the Corsair Neutron 240 GB Drive. Not a ton of storage space – but SOOOOO fast!

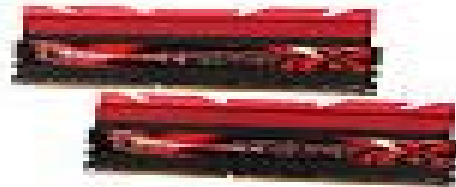

Graphics rule for Gamers!!

The ASUS GTX690-4GD5 GeForce GTX 690 4GB 512-Bit GDDR5 PCI Express 3.0 x16 HDCP Ready SLI Support Video Card will make you feel like you're really there when you game! It has 3 DVI out ports and a mini display port. If you are a gamer, you don't need the old VGA interface! Hooks to your big screen TV with 4GB of Ram – Fast & Furious!!
